Features

Enjoy the handcrafted quality and rich traditional carriage house style without the maintenance of wood. The American Tradition Series™ doors contain environmentally compliant polyurethane insulation with a calculated R-value of 17.66 or 13.45.

They are available in eight solid and five wood grain base colors. Overlay boards are glued and pinned to the doors, with an option to mix and match (examples: almond boards on a sandstone door or carbon black boards on an american walnut door).
